

The STEM Academy will host home volleyball, basketball, and soccer games during the school year.

There is no admission charge for students, that **present their school ID**, to attend these events as spectators. However, for students to stay and participate as a spectator for any evening sporting event, we must have a signed parent permission form on file **for each event**. All students will attend a study hall in the media center immediately following school and until the start of the event. All study halls will be monitored by certified teaching staff members. If you are granting permission for your child to stay for a match/game please complete the form below. Your child should bring this completed form to school on the day of the event. Your signature indicates that you have received this letter and understand our rules and procedures.

- A new permission form is required for each individual after school event. If a student stays after school without a permission form, he/she will be asked to call a parent to arrange pick up immediately and will not be allowed to stay for any other after school events for the remainder of the season (fall, winter, spring).
- In addition, any student who has received in-school or out-of-school suspension up to 4 weeks prior to the home game will not be allowed to attend that event.
- During the game, our Athletic Booster Club will be selling concessions (nachos, snacks, and drinks). Students may purchase these items, using cash, anytime during the match/game.
- All matches/games, depending on sport/season, have different start times. It is the student's responsibility to ensure knowledge of start time/end time for each event they wish to attend and clearly communicate that to their parents. Parents are to pick up students within 15 minutes of the final game's conclusion. Any student not picked up within 15 minutes of the conclusion of the event will not be allowed to stay after school for any other athletic events during the remainder of that season.

Thank you for your help in following these procedures. Please complete all information in black or blue ink (no pencil) on the permission form below. Students must bring this completed form to school and submit to Coach Tuten in A-3 by the end of lunch the day before the event supporting. This will allow for ample teachers to be scheduled for monitoring study hall, and for acceptance or denial notification to be made to the student for transportation planning. There will be **NO EXCEPTIONS** to this procedure. Forms turned in after the last lunch the day before, or forms turned in the day of, will be denied entrance to study hall and the game.
